INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF RR INSURANCE BROKERS (P) LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

I have audited the accompanying standalone financial statements of RR INSURANCE BROKERS (P) LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2024, and the statements of Profit and Loss (including Other Comprehensive Income), Statements of changes in equity and Statements of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

opinion and to the best of my information and according to the explanations given to me, the aforesaid standalone financial statements give the information required by the Companies Act, 2015 ("the Act")in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

I conducted my audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on the Standalone Financial Statements.

Key Audit Matters

I have determined that there are no key audit matters to communicate in my report.

Information Other than the Standalone financial statements and Auditor's Report

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and my auditor's report thereon. The Annual Report is expected to be made available to me after the date of this Auditors' Report. My opinion on the standalone financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the standalone financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatements of this other information; I am required to report that fact. I have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards(Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility

My objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatements when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatements of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatements resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design
 audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the
 Act, I am also responsible for expressing my opinion on whether the Company has
 adequate internal financial controls system in place and the operating effectiveness of such
 controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

CHARTERED ACCOUNTANT 23. SAINIK VIHAR DELHI-110034

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. I consider quantitative materiality and qualitative factors in (i) planning the scope of my audit work and in evaluating the results of my work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements

I also provide those charged with governance with a statements that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the

Companies Act, 2013 ("the Act")

I have audited the internal financial controls over financial reporting of RR INSURANCE BROKERS (P) LIMITED ("the Company") as of 31 March 2024 in conjunction with my audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In My opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

In accordance with IndAS 101 First time adoption of Indian accounting standards, the company has presented a reconciliation from the preparation of financial statements Accounting Standards notified by Companies (Accounting Standards) Rules 2016("previous GAAP) to Ind AS of shareholders equity as at march 31, 2017 and April 1, 2016 and for the comprehensive net income for the year ended March 31,2017.

The financial statements are prepared in accordance with Indian Accounting Standards(Ind AS) notified under section 133 of companies act 2013 ("ACT") read with Companies(Indian Accounting Standards) Rules 2015; and the other provisions of the act

The financial statements have been prepared on a going concern basis under historical cost convention basis, except for certain

The company financial statements are presented in Indian Rupees (₹) All figures appearing in the financial statement are rounded to the nearest Indian Rupees (₹), except where otherwise indicated.

Use of Judgements & Estimates

The preparation of financial statements in conformity with Ind AS requires the Management to make estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the result are known / materialised.

(C) Revenue Recognition

Income is being accounted for on accrual basis

Revenue is recognized to the extent that is probable that the economic benefits will flow to the group and revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duties collected on behalf of government. The revenue is recognized net of GST(in any)

- i) Property, plant and equipment are stated at cost net of accumulated depreciation and accumulated impairement losses if any. (D) Property, plant and equipment
 - ii) The initial cost of an Fixed Assets are stated at cost, including freight, installation, duties and taxes, finance charges and other incidental expenses incurred during construction or installation to bring the assets to their state of intended use.
 - iii) The company has elected to use the exemption available under Ind AS 101 to continue the carrying value of all of its property, plant and equipments as recognised in the financial statements as the date of transation of Ind AS, measured as per previous GAAP and use that as its deemed cost on date of transition (1st April 2017).
 - iv) Depreciation on property, plant and equipment is provided on the Straight Line Method by considering the revised useful life of the assets(after retaining the estimated residual value of upto 5%) in the manner prescribed under schedule II to the Companies Act,
 - v) Intangible aseets aquired seperately are measued on initial recognition at cost. Following initial recognition, intangible assets are amortised over their respective individual estimated useful lifes on straight line method. The company has elected to continue with the carrying value for all its intangible assets as recognised in its Indian GAAP financials as deemed cost as at the transition date (1st April 2017).

Impairment loss is provided; if any, to the extent, the carrying amount of assets exceed their recoverable amount. Recoverable Impairment of Non Financial Assets amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amount of assets to the extent that it does not exceed the carrying amounts that would been determind (net of amortisation or depreciation) had no impairment loss been recognised in previous years.

Investments are valued at acquisition cost Provision is made for diminution in the value of investment which is perceived to be of Valuation of Investment permanent nature.

NOTES TO AND FORMING PART OF BALANCE SHEET AS AT 31-MAR-2024

(All amounts in ₹ Hundred, unless otherwise stated) NOTE PARTICULARS S.No No

Stocks of quoted share /debentures and other securitiees are valued at fair price, but where the fair value is not available, we consider the last value provided.

Stocks of unquoted shares/debenture and other securities valued at fair fair value to the extent possible.

The difference between the fair value of inventory and the cost price or market price which ever is lower recognised in Other comprehensive income.

Investment in subsidiaries, Joint ventures and Associates

Investment in equity shares of subsidiaries, joint ventures and associates are recorded at cost .

A financial instrument is any contract that gives rise to a financial assets to one entity and financial liabillity to another entity.

(I.1) Financial Assets

Financial assets at amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

These are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non current assets. Financial assets are measured initially at fair value plus transaction cost.

Financial assets at amortised cost are represented by trade receivable, security deposits, cash and cash equivalent, employee and other advances.

Financial assets at fair value through other comprehensive Income(FVTOCI): All equity investments are measured at fair values. Investments which are held for trading purpose/Investment purpose and where the company has exercised the option to classify the investments as fair value through other comprehensive income (FVTOCI), all fair value changes on the investments are recognised in OCI. The accumulated gain or losses recognised in OCI are classified to retained earnings on sale of such investments.

Financial liabilities

All financial liabilities are recognised initially at fair value and in case of loan and borrowings net of directly attributable costs.

Financial liabilities are subsequently measured at amortised cost. For trade and other payable maturity within one year from the balance sheet date, the carrying value approximates fair value due to short maturity of these instruments.

Investment

Investment property is property(land or a building-or part of a building-or both) held either to earn rental income or for capital appreciation or for both, but not for sale in ordinary course of business. Investment properties are stated at cost net of accumilated depreciation and accumlated impairement losses, if any.

(K) Taxation

(K.1) Current income tax

Current income tax assets and liabillities are measured at the amount expected to be recovered from or paid to the taxation authority. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax items are recognised in correlation to the underlying transaction either in the statement of Profit and loss, other comprehensive income or directly in equity.

Deferred Tax is provided using balance sheet method on temporary difference between the tax bases of assets and liabillities and (K.2) Deferred Tax their carrying amount for financial reporting purposes at the reporting date.

Deferred tax liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or assets realized, based on tax rates(and tax laws) that have been enacted or subsequently enacted at the end of reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

- A deferred tax asset is recognised for unclaimed MAT credits that are carried forward as deferred tax assets.
- Gratuity is being provided on cash basis.

- i) Transactions denominated in foreign currencies are recorded at the exchange rates prevailing at the time of transaction. (M) Foreign Currency Transaction
 - ii) Monetary items denominated in foreign currencies at the year-end are translated at the year end rate, the resultant gain or loss will
 - be recognized in the statement of profit and loss account. iii) Any gain or loss arising on account of exchange difference on settlement of transaction is recognized in the statement of profit and loss account. umar

(N) Provision and contingencies

NOTES TO AND FORMING PART OF BALANCE SHEET AS AT 31-MAR-2024

NOTE S.No No.

(All amounts in ₹ Hundred, unless otherwise stated)

The company creates a provision when there exists a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made or resources and a remade esumate can be made or the amount of the obligation. A disclosure for a contingent made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources, when when there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provison or there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provison or disclosure is made.

Revenue expenditure on research and development is charged as an expense in the year in which it is incurred under respective heads of accounts. Expenditure which results in the creation of capital assets is capitalised and depreciation is provided on such (O) Research and Development assets as applicable.

(P) Earnings per share

The Basic earning per share and diluted earning per share have been computed in accordance with Indian Accounting Standard (IND AS-33) on, "Earnings Per Share" and is also shown in the Statement of Profit and Loss.

FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The company's principal financial liabilities compromise of loans and borrowing, trade and other payables. The main purpose of these financial liabilities is to finance the company operations. The company financial assets include loans, trade and other receivables, cash and cash equivalents that derive directly from its operations.

The company is exposed to market risk, interest rate risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks.

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in market prices. Such changes in the value of financial instruments may results from changes in the interest rate risk, credit, liquidity and other market changes.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flow of financial instruments will fluctuate because of changes in market interest rates.

Credit risk is the risk that counterparty will not meet its obligations under a financial instruments or customer contracts, leading to a financial loss. The company is exposed to credit risk from its operating activities(primarily trade receivable) and from its investing activities and financial institutions and other financial instruments.
